GRANTS TO BE PAID BY THE SECRETARY OF STATE

General

34) The Secretary of State shall pay grants under this Agreement towards capital and recurrent expenditure. Except with the Secretary of State's prior agreement, the Academy Trust shall not budget for expenditure in any year in excess of expected income. The Academy Trust shall not enter into commitments which are likely to have substantial implications for future levels of grant, or for the period for which grant may be required. No decision by the Trust shall commit the Secretary of State to paying any particular amount of grant.

35) "Recurrent expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 36. The Secretary of State shall pay two separate and distinct grants under the Agreement in respect of recurrent expenditure: General Annual Grant (GAG) and Earmarked Annual Grant (EAG).

CAPITAL GRANT

36) "Capital expenditure" means expenditure on:

- a. the acquisition of land and buildings;
- b. the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;
- c. the installation of electrical, mechanical or other services;
- d. the purchase of vehicles and other self-propelled mechanical equipment;
- e. the installation and equipping of premises with furnishings and equipment, other than necessary replacements, repairs and maintenance due to normal wear and tear;
- f. the installation and equipping of premises with computers, networking for computers, operating software and information and communication technology equipment, other than necessary updates or necessary replacements, repairs and maintenance due to normal wear and tear;

- g. the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation;
- h. works of a permanent character other than the purchase or replacement of minor day-to day items;
- i. any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;
- j. such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of the Agreement;
- k. all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l. VAT and other taxes payable on any of the above.

“Capital grant” means grant paid under the Agreement in respect of capital expenditure.

- 37) The Academy Trust has agreed with the Secretary of State the Capital Cost Spreadsheet attached as Annex 5 to the Agreement. The Capital Cost Spreadsheet shows the limit of the capital costs which the parties have agreed the Academy Trust may incur in order to establish the Academy. Annex 5 includes capital costs incurred prior to the execution of the Agreement and capital costs to be incurred after execution of the Agreement and before the Academy opens. The Academy opens on the first day that its pupils attend school at the Academy.
- 38) Annex 6A of the Agreement shows the capital expenditure incurred before execution of the Agreement. The Academy Trust has agreed with the Secretary of State the Capital Cash Flow Programme attached as Annex 6B to the Agreement which shows the projected cashflow of capital expenditure by the Academy Trust after execution of the Agreement.
- 39) Both parties recognise that as the project develops it may be necessary to revise costs in the Capital Cost Spreadsheet (Annex 5) and to move costs between spreadsheet elements in order to ensure that the project remains within its approved budget. Where the Academy Trust wishes to make such adjustments of over £50,000, it must submit the requested adjustment with the reasons for it to the Secretary of State for approval.
- 40) Where the Academy Trust foresees a significant change in the timing of capital expenditure, that is a change to the figures in Annex 6B of over £100,000, a revised Capital Cash Flow Programme must be submitted to the Secretary of State for approval. The Academy Trust must ensure that no pattern of spending is allowed to develop which cannot be contained within the approved capital expenditure limits. The Secretary of State must be informed immediately if any danger of any of the capital costs set out in Annex 5 being exceeded is foreseen so that steps can be

taken to rectify the situation and ensure that the project remains within its capital cash limit.

Capital Expenditure Necessary to Establish the Academy

41) The Secretary of State and the Academy Trust hereby agree that the Academy will be constructed/refurbished in accordance with the architect's drawings and specification on materials set out at Annex 6D of the Agreement and that:

- a. the amount of capital expenditure necessary to establish the Academy is £ 34,214,999 ("the Cash Limit"). The Cash Limit includes capital expenditure incurred for the purposes of or in connection with the establishment of the Academy prior to the date of this agreement as described in Annexes 6A and 6B;
- b. the Secretary of State will bear £32,214,999 of the cash limit and the Academy Trust will bear £2,000,000 of the cash limit;
- c. the arrangements (including timing) for payments for these costs are set out in clause 44 and Annex 6B of the Agreement. Payment by the Secretary of State will be dependent on his approval of the matters set out in Annex 7 to the Agreement;
- d. if the costs finally incurred for the purposes set out in clause 41(a) above are less than the cash limit, the costs borne by the Secretary of State shall be reduced accordingly and the Academy Trust shall pay the same amount as indicated in clause 41(b);
- e. if at any stage it appears that the costs incurred for the purposes set out in clause 41(a) are likely to exceed the cash limit, the parties to the Agreement shall urgently consider how to reduce those costs, if necessary amending the specification of the Academy;
- f. if the costs incurred for the purposes set out in clause 41(a) exceed the cash limit these additional costs shall be the responsibility of the Academy Trust except that, in circumstances where it is agreed that any necessary additional costs could not have been reasonably foreseen at the time the cash limit was set, and where the additional costs are agreed with the Secretary of State before the work is undertaken, and provided that the requirements set out in clause 41(e) have been undertaken the Secretary of State shall contribute in full any agreed necessary additional costs;
- g. if the parties agree that additional capital expenditure to establish the Academy, other than that specified in clause 41(a) may be incurred then the parties shall divide such additional costs between them in such proportions as may be agreed between them. No such additional expenditure is to be incurred without prior agreement in writing between the parties.

Other Capital Expenditure

42) Any capital expenditure during the life of this Agreement beyond the cash limit referred to in clause 41(a) on which grant payments are sought from the Secretary of State will require the specific agreement of the Secretary of State. Such consent shall not be unreasonably withheld. Unless the Academy Trust undertakes to meet such capital costs entirely itself such approved costs as are incurred will be shared in a proportion to be agreed between the Secretary of State and the Academy Trust in relation to, and having regard to the nature of, each such capital project.

Conditions on Capital Grant

43) Any payment of capital grant under the Agreement is subject to the fulfilment of the following conditions:

- a. such grants are used to provide accommodation constructed and equipped to standards agreed by the Secretary of State as described in Annex 7, or to defray other expenditure approved by the Secretary of State;
- b. the payment of such grants is subject to the Academy Trust certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place.

Arrangements for Payment of Capital Grant

44) Capital grant will be paid monthly by the Secretary of State to the Academy Trust. Each month the Academy Trust must submit a claim for grant to the Secretary of State in the notified format with supporting invoices and certificates as requested by the Secretary of State from time to time. Capital grant will be paid within 21 days from the day on which a claim for grant is received if the claim is in the proper format, supported by the appropriate documentation and the conditions on its payment set out at clause 43 are complied with. If a dispute arises as to whether a grant claim is acceptable or not both parties undertake to attempt to resolve it in good faith.

Implementation Grant

45) The Secretary of State shall pay grant (known as "implementation grant") towards the establishment of the Academy. Implementation grant covers the recurrent expenditure that the parties agree is necessary to establish and open the Academy.

46) The Academy Trust shall prepare and submit to the Secretary of State for approval an Implementation Budget showing recurrent costs to be incurred before the Academy opens and for which grant is sought. The approved Implementation Budget Cashflow is attached as Annex 6C to the Agreement and shows the limits of the recurrent expenditure and the projected cashflow which the parties have agreed the Academy Trust is permitted to incur in order to establish the Academy.

47) Both parties recognise that as the project develops it may be necessary to revise individual costs in the Implementation Budget and to move costs between budget headings in order to ensure that the project remains within its approved budget.

Where the Academy Trust wishes to make such an adjustment of over £10,000, the reason for the change and a revised Implementation Budget must be submitted to the Secretary of State for approval.

Arrangements for Payment of Implementation Grant

- 48) The Secretary of State will pay implementation grant in accordance with the approved Implementation Budget. Payments will be made by monthly instalments. The Academy Trust shall submit to the Secretary of State by the 10th of each month a grant claim in a form specified by the Secretary of State. If the grant claim is acceptable the Secretary of State undertakes to pay the amount due by the 25th of the month. If a dispute arises over whether a grant claim or part of it is acceptable, both parties undertake to attempt to resolve the dispute in good faith.
- 49) Any amount of approved implementation grant in respect of which the expenditure has not been incurred by the Academy Trust, by the date on which the Academy opens, will lapse and no implementation grant will be payable in respect of that part of the approved implementation budget. Any amount of implementation grant which has been paid but remains unexpended on relevant expenditure by the date on which the Academy opens will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy after it has opened. Any amount of implementation grant which is found to have been used on ineligible expenditure will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Academy.

General Annual Grant

- 50) General Annual Grant will be paid by the Secretary of State to the Academy Trust in order to cover the normal running costs of the Academy. These costs will include, but are not limited to:
- a. teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
 - b. non-teaching staff salaries and related costs (including educational support staff, administrative and clerical staff and manual and premises related staff);
 - c. employees' expenses;
 - d. the purchase, maintenance, repair and replacement of teaching and learning materials and other educational equipment including books, stationery, ICT equipment and software, sports and laboratory equipment and materials, other supplies and services;
 - e. examination fees;

- g. insurance;

- i. staff development (including in-service training);
- j. curriculum development;
- k. the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them) and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l. administration;
- m. establishment expenses and other institutional costs.

51) Subject to clauses 54 to 56, GAG for each financial year of the Academy Trust will be the total of the following areas of funding;

- a. Formula Funding: Funding comparable to the level of funding which would be provided through the funding formula of the LEA in whose area the Academy is situated, to a maintained school which had all of the Academy's relevant characteristics, including its number of pupils;
- b. LEA Holdback: Funding representing a proportion of the LEA Education Budget money which the LEA would be able to retain, from the non-delegated elements of the Schools Block and the relevant items in the LEA Block, if the Academy were a maintained school. The proportion which this funding will represent will be based on the elements of the LEA's Section 52 Budget Return which are relevant to the Academy.
- c. Specialist Schools Allowance: Funding equivalent to that which a maintained school with the Academy's characteristics would receive in respect of their participation in the specialist schools programme;

52) The GAG for the Academy will also include the following areas of funding for as long as they are necessary and equivalent funding is provided to maintained schools:

- a. LGPS contributions: Whilst it is necessary for the Academy to incur extra costs in order to be a member of the LGPS scheme due to having a small number of employees partaking in the scheme, the Secretary of State will pay an extra amount of grant in respect of these costs each financial year. Both parties acknowledge that new ways of working are being explored to

lessen these costs and if these are successful this element of GAG will reduce or cease accordingly;

- b. School Standards Grant: Whilst this direct grant for maintained schools (Direct Grant to Schools) is paid by DfES, the Academy will receive an equivalent amount as part of its GAG each financial year;
- c. Teachers Threshold Payments: Whilst maintained schools receive a separate grant from DfES in respect of teachers threshold payments, the Academy will receive funding on the same basis as maintained schools for all of its teachers which are entitled to threshold payments.
- d. Relevant New Grants for Maintained Schools: Where the Secretary of State starts to pay new grants (which are not standards fund grants) for specific programmes in maintained schools which are relevant to Academies, the Academy will receive funding on a similar basis.

53) The basis of the pupil number count for the purposes of determining the Academy's GAG will be the Governing Body's estimate in November for numbers on roll in the following September. The basis of the GAG calculation, including any annual re-pricing which may be necessary, will be set out in the annual letter of funding except that the level of Teachers Threshold Payments will not be included in the letter and will depend on the information provided by the Academy in that financial year regarding how many teachers are entitled to the payments and at what level.

54) The Secretary of State reserves the right to make in year adjustments to the level of GAG payable to the Academy Trust in the following circumstances:

- a. pupil numbers are 10% or more below estimates;
- b. pupil numbers are 5% or more above estimates;
- c. additional grants relevant to the Academy are made by the Secretary of State to maintained schools.

The Academy Trust should notify the Secretary of State if at any stage in the year pupil numbers vary from the estimates by the amounts set out in clause 54(a) or (b). The Secretary of State will base his assessment of the variation of pupil numbers on information provided by the Academy Trust and data from the school census' in September and January each year. The adjustments to the level of GAG may be in respect of any element of the GAG.

55) The Secretary of State recognises that:

- a. in relation to Academies which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the years before all age groups are present at their planned size (the "start-up period") because of a lack of economies of scale. The Secretary of State undertakes to pay an appropriately larger GAG in the start-up period than would be justified

solely on the basis of the methods set out in clauses 51 and 52, in order to enable the Academy to operate effectively. The Academy will make a bid to the Secretary of State for this addition to GAG, based upon need and providing appropriate supporting evidence;

- b. in relation to Academies which open with pupils transferred from one or more LEA-maintained schools which have closed, additional GAG resources will be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and - where necessary - to offer a dual curriculum.

56) During the start-up period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 51 and 52 to allow the Academy to:

- a. purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
- b. meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the start-up period these costs will be met through the ordinary GAG.

57) The Secretary of State recognises that if he serves notice of intention to terminate this Agreement under clause 88 the intake of new pupils during the 7 year notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG in the notice period than would be justified solely on the basis of the methods set out in clauses 51 and 52, in order to enable the Academy to operate effectively.

Earmarked Annual Grant

58) Earmarked Annual Grant shall be paid by the Secretary of State to the Academy Trust in respect of either recurrent or capital expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Academy Trust and as described in the relevant funding letter. The Academy is free to determine how best to use each of its EAGs within the scope of the grant set out in the relevant funding letter.

59) Where the Academy Trust is seeking a specific EAG in relation to any financial year, it shall submit a letter outlining its proposals and the reasons for its request to the Academies Division, Sanctuary Buildings, Great Smith Street, London SW1P3BT, by 15th February preceding the financial year in question.

Arrangements for Payment of GAG and EAG

- 60) The Secretary of State shall notify the Academy Trust in December preceding the start of each financial year of the GAG and EAG figures which, subject to Parliamentary approval, the Secretary of State plans for that year and of the assumptions and figures on which these are based.
- 61) The amount of GAG for an Academy financial year will be determined annually by the Secretary of State. The amount of GAG will be notified to the Academy Trust in a funding letter not later than 1 April preceding that financial year ("the annual letter of funding"). The annual letter of funding will not include the amount that the Academy Trust will receive in respect of Teacher Threshold Payments whilst that grant is paid as a separate payment that will be notified later in the year on a date to be agreed. Amounts of EAG will be notified to the Company according to an agreed programme.
- 62) For the purposes of this Agreement, the Academy's financial year shall be deemed to run from September to August, in order to align it to the school academic year. The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the annual letter of funding.

Other relevant funding

- 63) The Secretary of State shall meet a proportion of the costs arising from the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government) (Modification) Order 1999. The Secretary of State shall meet the costs of the employee's prior eligible service and the Academy Trust shall meet the costs of service in the Academy. The Academy shall seek the Secretary of State's consent for these redundancies, such consent not to be unreasonably withheld, before committing to the redundancies.
- 64) The Secretary of State may meet costs incurred by the Academy Trust in connection with the transfer of employees from a predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 1981. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Academy Trust shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.
- 65) The Academy Trust may also receive funding from LEAs in respect of the provision detailed in statements of special educational needs for pupils attending the Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Academy shall ensure that all provision detailed in statements of SEN is provided for such pupils.
- 66) The Academy Trust should also receive funding from the LEA in whose area it is located, from the Standards Fund. The scheme under which the Standards Fund money is to be distributed by the Secretary of State to LEAs and schools will permit LEAs to receive grants on behalf of Academies in the same way as they can do for maintained schools. The Academy must use any grants received under the

Standards Fund in accordance with any conditions specified in relation to that grant. Grants paid to the Academy Trust from the Standards Fund are not paid under this Agreement.

Financial and Accounting Requirements

- 67) The headteacher shall be the Academy's Accounting Officer. The Accounting Officer will be personally responsible to the Trustees for ensuring regularity and propriety, and for the economic, efficient and effective use of resources (i.e. ensuring value for money), and administration of the financial affairs of the Academy. The Accounting Officer may delegate or appoint others, such as a Finance Director, to assist in carrying out these responsibilities.
- 68) The Academy shall abide by the provisions within the Academies Financial Handbook, as published by the Department for Education and Skills and amended from time to time, which sets out in detail provisions for the financial management of the Academy including guidance on financial systems and controls and accounting and reporting requirements.
- 69) The formal budget plan must be approved each year by the Governing Body.
- 70) Any payment of grant by the Secretary of State is subject to his being satisfied as to the fulfilment by the Academy of the following conditions:
- a) that in its conduct and operation the Academy shall apply financial and other controls which conform with the requirements both of propriety and of good financial management;
 - b) that arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;
 - c) that such financial statements are published at the end of each financial year (as defined in clause 62) in such form and manner as the Secretary of State may reasonably direct and a copy sent to him by 31 December each year. These should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Academy affairs and that the grants were used for the purposes intended;
 - d) that the Academy prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 1985;
 - e) that a statement of the accounting policies used is sent to the Secretary of State with the financial statements;
 - f) that the Academy insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which the Academy is situated;
 - g) (i) that the Academy prepares and files with the Charity Commission annual accounts prepared in accordance with the Statement of Recommended Practice;

(ii) the governing body shall comply with their obligation under the Charities Act 1993 (or any statutory re-enactment or modification of that Act) with regard to the preparation of an annual report and its transmission to the Charity Commissioners;

h) The Governing Body shall secure that the Academy's accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State.

71) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Academy.

72) The books and accounts and all relevant records, files and reports of the Academy including those relating to financial controls, shall be open at all reasonable times to officials of the Department for Education and Skills and the National Audit Office and to contractors retained by the Department for Education and Skills or the National Audit Office for inspection or the carrying out of value for money studies; and the Academy shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause, relevant means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.

73) The Governing Body shall submit indicative budgets to the Secretary of State not later than by 15 February before the start of each Academy financial year. Such budgets shall set out clearly the prospective income and expenditure of the Academy and shall differentiate, and give adequate details of:

- a) a statement of expected income for that year including cash donations and gifts in kind from sources other than GAG, EAG and grants from the Secretary of State towards capital expenditure, distinguishing between income from public funds including the national lottery and income from other sources;
- b) a statement of proposed recurrent expenditure for that financial year;
- c) a statement of proposed capital expenditure for that financial year.

74) With the exception of grant covered by clause 74c below, the Academy will be permitted to carry forward savings from GAG from one year to the next:

- a) equivalent to 2% of the total GAG received in the preceding year, which it may use for any of the purposes for which GAG is paid including all expenditure permitted under sub-clause (b) below;
- b) equivalent to a further 10% of the total GAG received in that year, or such higher figure as may from time to time be agreed, which it may use on the upkeep and improvement of premises including the costs of equipment and routine repairs and maintenance and on capital expenditure;
- c) Any additional grant provided over and above that set out in clause 51 and 52 and made in accordance with clause 55 and 56, may be carried forward without limitation or deduction until the start up period or the circumstances set out in

clauses 55 and 56 come to an end.

- 75) Any savings of GAG not allowed under clause 74 will be taken into account in the payment of subsequent grant.
- 76) The Governing Body may also accumulate funds from private sources or public sources other than grant from the Secretary of State for application to the benefit of the Academy as it sees fit. Any surplus arising from private sources or public sources other than grant from the Secretary of State shall be separately identified in the balance sheet.
- 77) The Academy Trust shall not, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:
- a) give any guarantees, indemnities (except such as are given in normal contractual relations) or letters of comfort;
 - b) write off any debts or liabilities owed to it above a value to be set out in the annual funding letter, nor offer to make any ex gratia payments;
 - c) make any freehold sale or purchase; or
 - d) grant or take up any leasehold or tenancy agreement for a term exceeding three years other than the Lease.
- 78) Each discovered loss of an amount exceeding the amount set out in the annual letter of funding, and arising from suspected theft or fraud, shall be reported by the Governing Body to the Secretary of State at the earliest opportunity.
- 79) It is the responsibility of the Governing Body to ensure that the Academy balances its budget from year to year.

Borrowing Powers

- 80) The Academy Trust shall not run an overdraft beyond such amount (to cover irregularities in cash flow) as may from time to time be both approved by the Academy Trust in General Meeting and in writing by the Secretary of State, such approval by the Secretary of State not to be unreasonably delayed or withheld, and subject to any conditions he may reasonably impose. The Academy Trust shall not borrow except with the written consent of the Secretary of State against future years' current grant, or by using as collateral assets purchased wholly or partly out of monies provided by the Secretary of State. The Academy Trust shall not borrow against land and buildings transferred to it for less than the market price from an LEA or trustees of a voluntary aided school. Provided always that nothing in this clause shall prevent the Academy Trust from borrowing (whether by way of overdraft or otherwise) prior to the opening of the Academy nor from borrowing where such borrowing is made necessary by the failure of the Secretary of State to make in a timely fashion payments (whether of GAG or EAG or otherwise) agreed to be made by him under this Agreement.

DISPOSAL OF ASSETS

- 81) Where the Academy Trust acquires assets for a nil consideration or at an under

value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred at nil or nominal consideration and which were previously used for the purposes of a school or where transferred from an LEA; the value of which assets shall be disregarded.

- 82) The sale, or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by an Academy Trust shall require the consent of the Secretary of State where:
- a) the Secretary of State paid capital grant in excess of £20,000 for the asset; or
 - b) the asset was transferred to the Academy Trust from a Local Education Authority for no or nominal consideration

such consent not to be unreasonably withheld or delayed. Furthermore, reinvestment exceeding £1m or with other special features will be subject to Parliamentary approval.

- 83) This clause applies in the event, during the lifetime of this agreement, of the disposal of a capital asset for which capital grant of any amount was paid, where the asset was acquired by the Academy Trust at market value. In this event, the Academy Trust shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Academy Trust for its charitable purposes.
- 84) This clause applies in the event, during the lifetime of this agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Academy Trust from a Local Education Authority for no or nominal consideration. In this event the Secretary of State may give consent on the basis that all or part of the proceeds of the disposal should be made over to the Local Education Authority from which the asset was transferred, taking into account the amount of the proceeds to be reinvested by the Academy Trust. The Secretary of State will have regard to any representations from the Academy Trust and the Local Education Authority from which the asset was transferred before giving a consent under this clause.
- 85) Except with the consent of the Secretary of State, the Academy Trust shall not dispose of assets for a consideration less than the best that can reasonably be obtained.

TERMINATION

- 86) Subject to prior termination of this agreement under clauses 88 - 94, the Secretary of State shall continue payments in respect of current expenditure for a period of not less than seven years.
- 87) Either party may give seven years written notice of its intention to terminate this Agreement, such notice to expire on 31 August in any year.
- 88) If the Secretary of State is of the opinion that the Academy no longer has the

characteristics set out in clause 8 or that the conditions and requirements set out in clauses 9 - 33 are not being met, or is otherwise in breach of the provisions of this Agreement, the Secretary of State may give notice of his provisional intention to terminate this Agreement.

89) Any such notice shall be in writing and shall:

- a) state the grounds on which he considers the Academy no longer has the characteristics set out in clause 8 or is not meeting the conditions and requirements of clauses 9 - 33 or is otherwise in breach of the provisions of this Agreement;
- b) specify the measures needed to remedy the situation;
- c) specify the date by which these measures are to be implemented; and
- d) state the form in which the Governing Body is to provide its response and the date by which it must be provided.

90) If no response is received by the date specified in clause 89d, the Secretary of State may give the Governing Body 12 months, or such lesser period as he considers appropriate in the circumstances, written notice of his intention to terminate this Agreement.

91) If a response is received by the date specified in clause 89d, the Secretary of State shall consider it, and any representations made by the Governing Body, and shall, within 3 months of its receipt, indicate that:

- a) he is content with the response and that the measures which he specified are being implemented; or
- b) he is content, subject to any further measures he specifies being implemented by a specified date or any evidence he requires that implementation of such measures have been successfully completed; or
- c) he is not satisfied, that he does not believe that he can be satisfied, and that he will proceed to terminate the Agreement.

92) In the circumstances of clause 91c the Secretary of State shall notify the Governing Body why he believes that he cannot be satisfied and, if so requested by the Governing Body within thirty days from such notification, he shall meet a deputation from the members and governors of the Academy to discuss his concerns. If following such meeting he has good reasons for remaining satisfied that the Academy does not and will not have the characteristics set out in clause 8 or does not and will not meet the conditions and requirements set out in clauses 9 - 33 or does not and will not otherwise comply with the provisions of this Agreement, he shall give the Governing Body twelve months written notice of his termination of this Agreement.

93) If the Secretary of State has cause to serve a notice on the Governing Body under s.165 of the Education Act 2002 and the matters specified in the notice are not remedied, the period of twelve months notice referred to in clause 90 may be shortened to a period deemed appropriate by the Secretary of State.

94) The Secretary of State may at any time by notice in writing terminate this Agreement forthwith on the occurrence of any of the following events:-

- a) the Academy Trust calls a meeting of its creditors (whether formal or informal) or enters into any composition or arrangement (whether formal or informal) with its creditors; or
- b) the Academy Trust proposes a voluntary arrangement within Section 1 of the Insolvency Act 1986; or
- c) the Academy Trust is unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 provided that, for the purposes of this Clause. Section 123 (1)(a) of the Insolvency Act 1986 shall have effect as if the amount of £10,000 was substituted for £750. The Academy Trust shall not be deemed unable to pay its debts for the purposes of this clause if any such demand as is mentioned in the said Section is being contested in good faith by the Academy; or
- d) the Academy Trust has a receiver (and manager with the exception of Receivers and Managers appointed by the Charity Commission under the Charities Act 1993 or any subsequent re-enactment of that Act), administrator or administrative receiver appointed over all or any part of its undertakings, assets or income; or
- e) any restraint, execution or other process is levied or enforced on any of the Academy Trust's property and is not paid out, withdrawn or discharged within fifteen Business Days; or
- f) the Academy Trust has passed a resolution for its winding up; or
- g) the Academy Trust has a petition presented to any Court for its winding up or for an administration order; or
- h) the Academy has ceased to operate as a Academy (except where such cessation occurs temporarily by reason of an event of Force Majeure).

"Business Days" in this clause, means any day other than a Saturday, a Sunday, Christmas Day, Good Friday or a day which is a bank holiday within the meaning of the Banking and Financial Dealings Act 1971.

Effect of Termination

95) In the event of termination of this agreement, however occurring, the school shall cease to be an Academy.

96) If the Secretary of State terminates this Agreement for reasons other than that the Academy no longer has the characteristics set out in clause 8, or is no longer meeting the conditions and requirements set out in clauses 9 - 33 or is otherwise in breach of the provisions of this Agreement, the Secretary of State shall indemnify the Academy Trust.

- 97) The amount of any such indemnity shall be determined by the Secretary of State having regard to any representations made to him by the Academy Trust, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.
- 98) The amounts and categories of expenditure incurred by the Academy Trust in consequence of the termination of the Agreement in respect of which the Secretary of State shall indemnify the Academy Trust include (but not by way of limitation), staff compensation and redundancy payments, compensation payments in respect of broken contracts, expenses of disposing of assets or adapting them for other purposes, legal and other professional fees, and dissolution expenses.
- 99) In the event of the termination of this Agreement however occurring the Secretary of State shall procure that his nominee shall resign as a member of the Academy Trust and shall co-operate in making any associated amendments to the Academy Trust Articles of Association.
- 100) Subject to clause 101, on the termination of this agreement, however occurring, the Academy Trust shall repay to the Secretary of State a sum in respect of the capital contribution made by him under clauses 41-42 above. The amount to be repaid to the Secretary of State shall be a percentage of the value of the assets belonging to the Academy Trust at the date of termination (or by agreement with the Secretary of State) at the date of subsequent disposal of those assets, such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or later.
- 101) The Secretary of State may waive in whole or in part the repayment due under the above clause if:
- a) The Academy Trust is unable to realise the market value of land or premises because they are returned to the Local Education Authority at less than market value; or
 - b) The Academy Trust obtains his permission to invest the proceeds of sale for its charitable objects; or
 - c) The Secretary of State directs all or part of the repayment to be paid to the Local Education Authority.
- 102) If any land or premises of the Academy were acquired from a Local Education Authority by a scheme under Schedule 35A of the Education Act 1996 or otherwise at less than the market price, and the Secretary of State does not make a scheme as provided for in Schedule 35A (Paragraph 8) of the Education Act 1996, the Academy Trust may dispose of its interest in that land or premises but only with the consent of the Secretary of State, who shall have regard to any representations from the Academy Trust and the Local Education Authority from which the land was transferred before giving or withholding that consent.

The Governing Body shall provide the Department in advance with papers relating to all meetings of the Governing Body of the Academy and of members of the Academy. 109) This Agreement may be amended in writing at any time by agreement between the Secretary of State and the Academy Trust.

110) The service by the Secretary of State of a notice of termination under any clause of this Agreement shall not prejudice the ability of the Academy (if it wishes to do so) during the notice period to admit pupils in accordance with the provisions of clause 16 and Annex 2 to this Agreement and to receive GAG and EAG in respect of them.

111) The Secretary of State and the Academy Trust recognise the difficulties in catering in this Agreement for all the circumstances which may arise in relation to the Academy and undertake in good faith to conduct such consultations as may from time to time be desirable in order to promote the interests of the Academy throughout the period of this Agreement.
